2. Objectives and advantages of CBCS Curriculum:

The objectives of revised curriculum are:

- (1) To reorient legal education by making provision for sufficient opportunity to the students for extensive as well as intensive study of law.
- (2) To equip the students with (a) knowledge of law, (b) practical application of law, (c) analytical thinking and logical reasoning, (d) effective communication skills.
- (3) To meet the needs of contemporary requirements of Bar, Bench, and Industry in the globalized economic era.
- (4) To educate them about diverse backgrounds to become effective, ethical, and expert individuals who are employable in a variety of legal settings.

Advantages of the Choice based Credit System are:

- (1) Shift in focus from the teacher-centric to student-centric education.
- (2) CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill-oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and offering more flexibility for students.

3. Outlines of Choice Based Credit System:

In line with the UGC's guidelines, the courses are categorized as Core Courses, Ability Enhancement Compulsory Courses (P.T. Papers), Skill Enhancement Courses, Discipline Specific Elective Courses and Generic Elective (Open Elective) Courses.

3.1 Core Course:

The purpose of the Core Course Paper is to adhere to common minimum standards prescribed by the Bar Council India. Also, the course designed for papers under this category aims to cover the basics that a student is expected to imbibe in the law profession. Besides this, the Core Course Papers should be studied by the law students as a core requirement to get *Sanad*. Hence, the Core Course is a course that has to be studied compulsorily. For the Law program B.A., LL.B. and B.B.A., LL.B. (Five Year Program) there shall be 16 Non-Law courses in the first two years of the program with 4 credits each. From Third to Fifth year of B.A., LL.B. and B.B.A., LL.B. Program there shall be 30 Law courses. These 30 Law courses shall include –

- 1) 20 Core Courses for 4 credits each,
- 2) 4 Ability Enhancement Compulsory Courses (Practical Training Courses) for 4 credits each,
- 3) 6 Discipline Specific Elective Courses for 4 credits each

In addition to the above there shall be 2 Skill Enhancement Compulsory Courses for 2 credits each and 2 Generic Elective Courses (Open Elective) for 4 credits each.

For Three-Year LLB Program there shall be 30 Law courses. These 30 Law courses shall include

- 1) 20 Core Courses for 4 credits each
- 2) 4 Ability Enhancement Compulsory Courses (Practical Training Courses) for 4 credits each
- 3) 6 Discipline Specific Elective Courses for 4 credits each

In addition to the above there shall be 2 Skill Enhancement Compulsory Courses for 2 credits each and 2 Generic Elective Courses (Open Elective) for 4 credits each.

3.2 Ability Enhancement Compulsory Course:

Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses offered are of two types –

- (1) **Ability Enhancement Compulsory Course (AEC)** – These courses are based upon the Practical Training Activities mandated by the BCI for law students.
- (2) **Skill Enhancement Course (SEC):** These are value-based and/or skill-based and are aimed at providing hands-on training, competencies, skills, etc.

3.3 Elective Course:

Generally, a course which can be chosen from a pool of courses, and which may be very specific, or specialized or advanced or supportive to the discipline/subject of study, or which provides an extended scope, or which enables an exposure to some other discipline/subject/domain, or nurtures the candidate's proficiency/skill is called an Elective Course.

Following types of Elective Courses are offered –

(i) Discipline Specific Elective (DSE) Course: An Elective course offered under the main discipline/subject of study is referred to as a Discipline Specific Elective. The list of subjects provided under this category is suggested by BCI. However, the University has complete freedom to suggest its own papers under this category based on theory, expertise, specialization, requirements, scope, and need.

(ii) Generic Elective (GE): A Core Course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice-versa and such electives may also be referred to as Generic Electives (Open Elective).
