INSURING QUALITY EDUCATION IN LAW

SHRI RAM JETHMALANI, advocate interacting with Balaji Law College students

of the Founder President Dr. (Col.) Balasubramanian Sir, endeavour our best to make the students socially relevant and professionally competent. The students are nurtured with the spirit and content of professional as well as make them perfect social engineers. The college's firm commitment is to inspire confidence and imbue courage in the students to meet successfully the challenges in the profession and instill a professional culture of advocacy and instill a sense of loyalty to serve the needy persons in the society," says Dr. S/S Kamasani, Principal of Balaji Law College. Dr. Sapna Bansal, Vice

Principal, proudly states that while their 'spacious classrooms provide an amiable atmosphere to teach and study, "Our methodology of teaching is to make the students thorough in every subject. For this, we teach them one concept first and then make them write an assignment on it. This covers various probable questions and frequently asked questions in the last 10 years of question papers. We select and point out, if there is any scope for improvement. Thereafter, we give a surprise test. Hence, for every subject, the student goes through the portion, thrice, in order to make him or her, thorough."

BALAJI LAW COLLEGE aims to develop young minds into tomorrow's legal luminaries

Quality faculty
"The College has a team of dedicated and experienced faculty ever ready to guide students in academic and extra-curricular activities. Our library has a number of text books, law journals and periodicals that cater to students' needs. We also encourage students to participate in events like Moot Courts, legal quiz etc. We also maintain a free legal aid clinic to acquaint the students with the client – counsel interactive process," adds Dr. Kamasani.

Parents know what is happening in terms of their wards' performance. Dr. Sapna elaborates, "If a student is absent for more than 3 days, parents are informed. They are also apprised of their results, every semester."

Best-in-class library
The library is one of the 'best in class'. Says Dr. Sapna, "We keep adding new books to the library. Besides, the computer laboratory is equipped with 45 computers ensuring that students do not have to go to an outside cyber cafe for research and for enhancing their knowledge. The expansive Moot court hall is used

Sri Balaji Society, Pune means quality and commitment to the students' community. We believe that each and every student has the potential to be groomed to have a successful career. Directing the right candidates to the right jobs through training and development has always been the goal of our Society.

We are proud to state that, within an existence of 15 years, Sri Balaji Society is known not only for its best infrastructure but also for the best faculties.

The excellent faculties, conducive environment, good infrastructure and stimulating atmosphere in our campus enable students to dream and work hard to achieve their goals. It should be noted that being a creative, experimenting, and unconventional group of institutes, we keep on updating our course curriculum and this has increased the efficiency and effectiveness of our students. We treat time as the most precious resource. Therefore, classes-exercises-examinations may be scheduled around the clock, for longer hours, and hence the students are required to go through a rigorous and hectic grooming/training process for 365 days.

Sri Balaji Society functions on the lines of Industry and University. The Directors of the Society are the pillars of the society and are devoted to the welfare, growth efficiency, and excellence of the students. The Directors of the Institutes are scholars and great leaders in their fields and they work hand in hand with the Directors of the Society as one family. Each Director is empowered to take decisions within the framework of rules and regulations laid down by Sri Balaji Society. The rules and regulations of Sri Balaji Society are framed by a High-Power Committee which comprises all the Directors and Advisors of Sri Balaji Society. Each Institute also having its sub-committee comprising of the Director and Faculties of the Institute. This interdependent and independent stand of each Institute enables us to grow together by drawing the expertise, energy, and resources from all the sources of the Society.

We only accept CET scores. We do not believe in the cut off score as we feel that Sri Balaji Society's model of selection has proved the test of time as it covers all the requisites including personality and other relevant factors. The personality development of students is a critical requirement for the growth and development of students. Therefore, a lot of workshops, seminars, and co-curricular activities are conducted regularly by the society in all the institutes to ensure that the students are immensely benefitted. Guest Lectures, Moot Courts and Seminars are integral parts of the intensive training provided to our students. Senior Trainers and Stalwarts from the Court and socio-legal department regularly visit us for the same.

Discipline, Dedication and Determination are our Core-Values. While we adopt a paternalistic approach in matters of welfare and mentoring, we deal with the in-disciplined students with an iron hand. SBS is run on the lines of an industry and rules and regulations are considered supreme. Therefore, you are requested to go through the instructions published in this prospectus and make your choice. We can assure you that your admission to our institutions would mean the right step to ultimately land up in Legal Careers.

"Hello, my name is Varun Mishra, and I currently work as an advocate at Madhya Pradesh High Court Bench at Indore. My five years at BLC have been very beneficial to me professionally, morally, and academically. The lectures were not only designed to help us pass the exam, but also to give us a thorough understanding of the subject and encourage an inquisitive attitude toward what we were learning. The college was not only a place of learning but also a place of building and exploring oneself. My Campus life was made even more appealing by the fact that all of my professors, seniors, and juniors were pleasant and helpful. In essence, it was everything I expected and more."

B.A.LL.B Batch of 2015-2020

BLC for me stands for 'Biggest Life Changing' event. The journey started with more opportunities than I could avail and ended with, me availing all the opportunities BLC could provide. The confidence which has been inculcated in me makes me proud every time I introduce myself as an Alumnus of BLC as well as competent enough to stand against and between any social strata. Due to its huge impact, I remember every moment from day one till the 15th of march when we had an abrupt and unexpected ending. I have been and always be fortunate that I have found friends, mentors and teachers for life, during my journey. The journey is so precious to me that instead of sharing everything I prefer to save it for my biography.

Always laugh and be curious.

Adv. Priya Hogle

B.A.LL.B Batch of 2017-22

"if I have to put the most fundamental thing, I learned from BLC in a few words it would be, "Life is unpredictable". I was nothing but a scared 18-year-old introvert who experienced nothing beyond books, but here in BLC, I got a voice, I entered into this huge family where everyone was helping each other, where there was scope to explore academic and non-academic skills. Where I finally got out of my cocoon and learned to fly. All of my five years in this college, irrespective of two of them being online, I grew, these five years made me the person that I am today, and I am proud of what I have become."

The teachers and library staff were amazing. They have helped in each and every aspect not only professionally but personally too. You have an opportunity to make new friends from around the nation and get to know each other and they become your buddies for life. Also the extra curricular activities and the Moot court cell and other cells. Every student gets together and plans and executes the events and has a guest lecture. Always try to network with the guest speakers and internships which you bag and enjoy the Law journey.

B.A.LL.B Batch of 2016-2021

My journey in Balaji Law College started as a student with clean slate and that clean Slate is changed into a voluminous book now. The paradise situated amid the campus that is library has made me a great human being. Balaji Law College has imbibed plenty of confidence and sea full of knowledge in me to stand before the Court of Law. Needless to mention that Avatars of Guru Drona (my teachers) have supported me alot throughout this beautiful journey. Still they support me to climb the ladder of Success. I can proudly say that Balaji Law College is not just an institution but it is a family wherein every year new members are added to glorify it more.

Adv. Sudarshan Sadaphule B.A.LL.B Batch of 2017-2022.

Hello everyone, My name is Adv. Sudarshan Sadaphule, and. It is my privilege to say some words about this esteem Law institution, which has shaped not only my professional journey but also my approach to law, ethics, and personal growth. Beyond academics, it was a space where we forged lifelong friendships, learned invaluable lessons from our seniors, and shared moments of camaraderie with our juniors. It gave me the confidence to stand in a courtroom, the wisdom to navigate legal complexities, and the courage to uphold justice. For that, I will always be grateful. Thank you, and I look forward to seeing BLC continue to shape the finest minds in law!

Adv. Mansi Chandel .BALLB 2017-2021 (Working in Canada)

I'm Mansi Chandel, and my journey began at Balaji Law College, Pune, where I earned my B.A.LL.B. Doing late-night study sessions in the moot court and debating fiercely in seminar halls taught me more than just law—it taught me resilience, courage, and the power of my own voice.

After graduation, I took a leap—moving to Canada to pursue my master's. Today, I'm honored to work as an Assistant Manager at Panera Bread. Every day, I draw on the discipline and determination instilled in me at BLC to lead, connect, and bring warmth to my work.

"Balaji Law College didn't just teach me law—it taught me courage."

I carry that courage with me across continents, grateful and proud to be a BLC alumna.
